Dear Parents

I am pleased to advise you that Werrington Public School will continue to run the ‘Active After School Communities’ program in Term 1 2014. The objective of the program is to involve children in a fun activity that requires physical exertion and uses energy. It is especially appropriate for children who rarely have the chance (or lack the willingness) to be involved in sporting or physical activity on a regular basis.

Due to 2014 being the year of the FIFA World Cup Soccer, our activities will be based around Soccer. We will be taking a multi-skill approach, with a view to developing important skills for a number of sports. This term we will again be including all students from Kindergarten to Year 6.

The program will run on Wednesday and Thursday afternoons from 3:00pm to 4:00pm and students must be collected promptly at 4:00pm. If you would like your child to be involved, please complete the form below appropriately and return to Mrs McLennan by Tuesday 11th February 2014.

The first activity will begin on Wednesday 12th February 2014 and Thursday 13th February 2014, and your child will receive a confirmation of enrolment letter if they have been successfully enrolled. It is a seven-week program, so the last activity for the term will be on Wednesday 26th March and Thursday 27th March 2014. Please be prompt in your response as there are limited positions available.
