Stage 3 will be organising the OWL MARKETS again this year. We are asking for your support to make this
day successful and fun for all of our students. We are hoping to raise enough money to purchase a gift
for the school on behalf of year 6 and other important resources for our classrooms.

In preparation for this fun and exciting day, we need donations of a variety of different products. The
stage three students will set up a number of different stalls, ranging from sporting activities to food stalls.
Some of the products that would assist in the smooth running of our Owl Markets include; bottles of
water, cans of soft drink, juice, lollies, hair spray, nail polish, sauce, butter/margarine, muffins, cupcakes,
biscuits, make up, lucky dip prizes, face paint, bread, gloves, sausages, ice and more lollies!!

Donations may be left at the office.
